

Dear Guests,

At Marriott, the health and wellbeing of our customers and Associates remains our priority. In compliance with Government requirements we have implemented the following procedures throughout our Leisure Clubs:

Conducted risk assessments and shared these with our Associates

Face masks are to be worn by all Associates

Enhanced our cleaning protocols and cleaning frequency,
using electrostatic sprayers

Provided sanitising stations in our gyms

Reduced gym capacity and placed equipment out of use

Implemented signage to support social distancing

Learn more about our Commitment to Clean:

Thank you for protecting yourself as well as others.
